

Term 3 Week 6

31 August 2018

Principal's Report... By Vicki Arnot

Dear Students, Parents, Carers and Families,
Well we have all been hoping & longing for it & it is now here –Spring! What a beautiful season. But let's hope that we get that much needed rain before we get too close to summer.

Award Recipients:

<u>K-2</u>	<u>3-6</u>
Jasmine	Nathan
Jonathon	Declan

Fathers Day Stall:

Our Fathers Day Stall was a brilliant success. Our students were very enthusiastic to purchase a gift for their fathers or the significant male in their lives. A huge **Thank You** to our P & C for organizing the event. I am sure that all of the gifts make our Dad's hearts melt.

P & C:

Our next P & C meeting will be held on Monday 10th September at 12pm at Argenton Public School in the Library. All members of our community are welcome to attend. We will be discussing the establishment of our School Canteen so if you would like some input or would like to know more please come along.

Super Hero Library Challenge:

We are pleased to announce that we have four students that have accomplished the Superhero Library Challenge and we have a few more students who are very close to receiving their brand new Library Bag. All you have to do is borrow & return books to the Library for 5 consecutive weeks. I wonder who will be next...

Have a Great Weekend and
Happy Fathers Day!

Vicki Arnot

CALENDAR

Wed Week 7, 5 Sept
Student Leadership Day

Thurs Week 8, 13 Sept
Next Kindergarten
Transition Session 2pm

KINDERGARTEN TRANSITION PROGRAM

#Argentonrocks

Sophie

"I love sorting all of the glittery pom poms."

Our extended Kindergarten Transition Program has commenced and will operate every second Thursday from 2pm—3pm. We will provide afternoon tea for parents while the children participate in educational activities in the K-2 classroom. Our next session is on Thursday 13th September.

Teacher Reports...

Miss Barnett's K-2 Class

This week, we have been talking about four types of sentences: statements, commands, questions and exclamations. We have also been working very hard on our reading fluency. To practice these skills, we read a book to our partner and then answered their questions about the book. Here are some of our questions:

Bertie and the Bear

Jakob asked: "What is this character's name?"

Owen answered: "Pom-pom."

The Very Cranky Bear

Harry asked: "Why is he so cranky?"

Makaysha answered: "Because lots of other animals are in his cave."

Who Sank the Boat?

Jasmine asked: "Did the mouse sink the boat?"

Owen answered: "Yes."

Mrs Locking's 3-6 Class

Congratulations to Nathan and Declan on receiving awards at assembly last week.

This fortnight we have been busy learning about the structure of imaginative texts and examining ideas for sensational story starters to hook our readers in. We are also continuing to learn our dance routine, which you will see at our assembly in week 10.

With Father's day coming up we may have been doing some craft, no peeking in our bags Dads!! There was also the Stage 3 Canberra excursion which included a day at the snow which everyone loved!

Help Us Help the Environment with Low Waste Lunches...

Help us save our environment by packing a low waste lunch.

WHAT IS LOW WASTE LUNCH?

Low waste lunches contain only items that can be eaten, composted, recycled or reused. To pack a low waste lunch there are three simple things to remember:

1. Pack food in a reusable container.
2. Use refillable drink bottles.
3. If packaging is essential, choose types that are reusable, recyclable or compostable.

Low waste lunches are often cheaper and healthier, and will encourage parents and students to think about what goes into their lunchboxes.

Typical Lunch

Low Waste Lunch
